

Did you know...

Did you know that students spend approximately 17,615 hours over 13 years in school, while spending 2,028 hours in church if they attend every week? Where are they receiving the greater impact? McElwain Christian Academy (MCA) seeks to provide a superior academic education in a Christian environment. It is important that an education of excellence be intertwined with a Biblical world view so that our children can make the most effective impact on the world. As we begin our 10th year, MCA is excited about the future! We are proud of our students and seek to meet their needs at every turn. We know that MCA will be a tremendous part of their lives.
